

A Summit for Robotics Developers

September 18th, 2024

The Pearl, 601 19th Street, San Francisco, CA 94107

Speaker Prospectus

Foxglove is excited to announce a Call For Proposals (CFP) to speak at **ACTUATE** in San Francisco. This one-day event is focused on accelerating robotics development through highly technical, educational, and engaging content.

Why Speak at ACTUATE?

- **Developer-focused audience:** ACTUATE is a summit for applied roboticists and researchers. Talks will focus on real-world strategies for robotics software development, training, and simulation, and deployment.
- **Influence the Industry:** Your insights can shape the future of robotics, influencing both emerging startups and established companies.
- **Network with Peers:** Connect with other leaders in the field, fostering relationships that could lead to collaborations and new opportunities. This includes an invite to a speakers-only dinner the night before the conference
- **Showcase Your Achievements:** Highlight your organization's breakthroughs to a dedicated audience of robotics developers.
- **Speaker Benefits:** All speakers receive a complimentary Summit ticket, (2) complimentary guest Summit tickets, and an invite to the speaker dinner hosted by Foxglove.

We're Looking For Speakers Who Can

- Provide actionable strategies for scaling robotics companies.
- Share innovative solutions to technical challenges in robotics.
- Offer insights into the future of robotics.
- Discuss the path from prototype to commercial success in the robotics industry.

Presentation Topics of Interest Include

- Perception
- Navigation
- Manipulation
- Embodied AI
- Simulation
- Reinforcement Learning
- Middleware & Frameworks

Submission Guidelines

- Speaker Name
- Company Name
- Talk Title
- Abstract (200 words max)
- Speaker Biography (100 words max)
- Contact Information
- Structure:
 - Audience: 300 robotics developers (startups & enterprise)
 - 20-minute presentation
 - 5-minute Q&A

Important Dates

- **Proposal Submission Deadline:** Tuesday, May 7th, 2024
- **Notification of Acceptance:** Friday, May 31st, 2024
- **ACTUATE Summit Date:** Wednesday, September 18th, 2024

How to Submit

Please send your proposal to actuate@foxglove.dev with the subject line "Speaker Proposal: ACTUATE Summit."

Join us in leading the conversation on the future of robotics. Your expertise and insights are invaluable to driving innovation and scalability in this fast-moving industry.
